

MERCY STREET

Mercy Street is a church and missional outreach for people who are often overlooked in our city.

WHAT WE DO

We create a safe harbor of hope and transformation for the hurt and seeking, so **ALL** may experience the radical grace of God.

We build connections with people who are impacted by **ADDICTION, MENTAL ILLNESS** and **INCARCERATION**. This year, an average of 125 Mercy Street volunteers, guided by five full-time staff, will connect with 1300+ people.
